

PYATEROCHKA HELPS RESTORE FOREST IN ST PETERSBURG

On 15 May, a team of volunteers, including 15 Pyaterochka employees, took part in planting seedlings and landscaping a reserve in the Petrodvortsovsky district of St Petersburg. The event to which the Company contributed was part of the Reclaiming our Forests Together campaign. X5 helped plant more than 2,500 seedlings of pines and spruces and installed planting fences as well as information stands and plaques at the Shungerovsky State Nature Reserve.
